PROJECT- STRUCTURAL ENGINEERING- CONSULTING

Ing. Gilberto Sarti - Structura Engineering is an engineering company with headquarter in Rimini, and logistics site in Rome, in Milan and one in Dubai. Specialized in civil engineering and technical general consulting, including activities in support of contractors and related construction phases.

His professional activity is focused mainly on structural design also specialist (with relative Work Director), but also deals with the architectural supervision design, shoring works, enabling works, special foundation works, special steel structure works, assistance on accounting and control of the site, the study of plant engineering in general and in the verification of the technical-professional qualification of contractors. The company also has valid and consolidated external collaborators, relations with the competent municipality and state administrations, etc ... all in order to present our customers with an excellent "finished product" as the service that we are offering for some time to the various important national and international Clients. This dynamic organizational structure guarantees the client careful and punctual control of the various design phases, rather rapid execution times and a high quality level.

In the course of its history Mr. Sarti and the Company have realized and are carrying out projects for Public and Private works in Italy and abroad, collaborating with famous Architects of the National and International scene, as well as they worked for international Clients and Companies, for amounts which exceed € 200,000,000.00 and for this reason are subject to the Validation of specific Authority such as Italsocotec SpA and Keo International.

Mr. Sarti and the Company worked as Safety Coordinator in the Design, Execution and Work Responsibility phases, for jobs of considerable importance and for internationally renowned Clients. We mention only by way of example: EUR SpA, Ferrari SpA, Marr SpA, Ceramica del Conca SpA, SCM Group SpA, Cremonini SpA Group, Coop Alleanza 3.0, Hera SpA, Mugello Circuit SpA, Italian Exhibition Group SpA, Ministry of the Environment and the Republic Lithuanian during Expo 2015, Gruppo IMMSI, Intermarine SpA, Piaggio SpA, Armani Group, Damiani, Rolex, Hermès SpA, Fortech Srl, Renco SpA and many others.
